Employer Overview:

Harbor Regional Health (HRH) Medical Group is a multi-specialty group that offers services such as Internal Medicine, Pediatrics, Family Medicine, Prompt Care, Orthopedics, Urology, General Surgery, Gastroenterology, and OB/GYN. With clinics throughout Grays Harbor County, HRH Medical Group is continuously growing its services to better serve our community. HRH Medical Group is committed to patient satisfaction and creating access to quality healthcare seeing 45,000 patient visits a year.

HRH Medical Group is a subsidiary of Harbor Regional Health, a not-for-profit Public Hospital District that serves over 70,000 residents. There is a surgical department, a birth center as well as an Emergency Department and a CCU. It is a Level III facility. Our Physicians and medical staff strive to provide the highest standard of healthcare in a comfortable, safe, convenient, and friendly environment.

Community Information:

Welcome to Pacific Northwest Washington!

This position is a lifestyle focused opportunity near the Pacific Coast at the foothills of the Olympic Mountains. Located in a wonderful, small community with abundant outdoor recreational activities: exceptional fishing, kayaking, surfing, camping, hiking, climbing, skiing, golf, water sports and more in a temperate maritime climate. A great place to raise a family. Near the adorable beach town of Seabrook and the National Rainforest in Quinault. We are the gateway to the Olympic Peninsula with miles of pristine coastal environs, and only 50 minutes from Olympia, the State Capital, and 2 hours from Seattle and Portland.
