
VISITOR DESIGNATION

- As a patient here in our unit, you are allowed one visitor per stay of your choosing.
- This visitor can visit each day between the hours of 10am-8:00pm.
- The visitor is encouraged to remain with the patient and not make multiple trips in and out.
- Durable Power of Attorney and caregiver rules still apply per policy.
- The screener station will be notified of your visitor's name during normal business hours.
- Each visitor will be screened at the front door, use hand hygiene and must wear an appropriate mask at all times in the facility including when in patient room.
- If this is a weekend day, the ED Registration clerk will call the unit to verify a patient's visitor prior to sending them to the unit.
